- III. Directors' Updates: where things stand with remote/hybrid learning- School opened on November 16 for 2 pods in K and 1 pod per grade in all the others. Our UFT contract is aligned with the local infection rate which spiked above 3% by the afternoon of 11/16. We also discussed the potential learning loss from remote school and ways we might look towards framing that in terms of how school runs when we do get to go back to in person learning.
- IV. Spotlight: Presentation from Jeannine King, Director of Student Support re: The State of Special Education at BxC. [Presentation here](#).
- V. Public comment- no members of public were present.
- VI. Executive session
